(b) Nondiscrimination Certification. Capital Provider represents and warrants that, prior to entering into this Agreement, Capital Provider has provided Green Bank with documentation evidencing Capital Provider’s support of the nondiscrimination agreements and warranties of the statutory nondiscrimination sections, above. A form of the Nondiscrimination Certification to be signed by the Capital Provider is attached.

(c) Occupational Safety and Health Act Compliance. Capital Provider certifies it (1) has not been cited for three or more willful or serious violations of any occupational safety and health act or of any standard, order or regulation promulgated pursuant to such act, during the three-year period preceding the date of the Agreement, provided such violations were cited in accordance with the provisions of any state occupational safety and health act or the Occupational Safety and Health Act of 1970, and not abated within the time fixed by the citation and such citation has not been set aside following appeal to the appropriate agency or court having jurisdiction or (2) which has not received one or more criminal convictions related to the injury or death of any employee in the three-year period preceding the date of the Agreement.

13. Limitation on Recourse.

All liabilities and obligations of (i) Green Bank under this Agreement are subject and limited to the funding available under Connecticut law and (ii) Capital Provider under this Agreement are limited to its assets and no officer, director, employee, partner, investor or shareholder shall have any personal liability for such liabilities or obligations.

14. Freedom of Information Act.

Green Bank is a “public agency” for purposes of the Connecticut Freedom of Information Act (“FOIA”). This Agreement and information received pursuant to this Agreement will be considered public records and will be subject to disclosure under the FOIA, except for information falling within one of the exemptions in Conn. Gen. Stat. Sections § 1-210(b) and § 16-245n(d).

Because only the particular information falling within one of these exemptions can be withheld by Green Bank pursuant to an FOIA request, Capital Provider should specifically and in writing identify to Green Bank the information that Capital Provider claims to be exempt. Capital Provider should further provide a statement stating the basis for each claim of exemption. It will not be sufficient to state generally that the information is proprietary or confidential in nature and not, therefore, subject to release to third parties. A convincing explanation and rationale sufficient to justify each exemption consistent with General Statutes §1-210(b) and § 16-245n(d) must be provided.

Capital Provider acknowledges that (1) Green Bank has no obligation to notify Capital Provider of any FOIA request it receives, (2) Green Bank may disclose materials claimed by Capital Provider to be exempt if in its judgment such materials do not appear to fall within a statutory exemption, (3) Green Bank may in its discretion notify Capital Provider of FOIA requests and/or of complaints made to the Freedom of Information Commission concerning items for which an exemption has been claimed, but Green Bank has no obligation to initiate, prosecute, or defend any legal proceeding, or to seek to secure any protective order or other relief to prevent disclosure of any information pursuant to an FOIA request, (4) Capital Provider will have the burden of establishing the availability of any FOIA exemption in any such legal proceeding, and (5) in no event shall Green Bank or any of its officers, directors, or employees have any liability for the disclosure of documents or information in Green Bank’s possession where Green Bank, or such officer, director, or employee, in good faith believes the disclosure to be required under the FOIA or other law.
